The Day the Screens Went Blank

What If ……questions to ask your friends!

1. What if there is no electricity for a year in your school what would you do?

2. What if we found live dinosaurs living on a remote island what would you do?

3. What if you woke up and found you were the Prime Minister what would you do?

4. What if you woke up and discovered you were the only person on earth. What would you do?

5. What if you had a money tree growing in your backyard? What would you do
